RCI Ontario Masonry Workshop

RCI Ontario Chapter's Masonry Workshop held October 9th at the Ontario Masonry Training Centre in Mississauga was a sold out event!

This workshop covered various aspects of the design and construction of masonry structures. Topics discussed included: the overview of the CSA masonry standards, masonry units, mortar and grout, connectors, construction tolerances, movement joints, cold weather construction, mortar joints and masonry cavity wall systems.

RCI Ontario would like to thank our presenter Mr. Joe Wierzbicki from Canada Masonry Design Centre (CMDC).

RCI Ontario would also like to thank the following organizations for developing the workshop:

Ontario Masonry Training Centre (OMTC)

Ontario Masonry Contractors Association (OMCA)

Canada Masonry Design Centre (CMDC) <http://canadamasonrycentre.com/>
