RCI's Breakfast Seminar – March 29th 2016

This breakfast seminar was held at the Brampton Golf and Country Club with great success. The seminar was very well attended and included 2 educational presentations.

The first presentation was “Spray Foam Insulation” presented by Chris Janzen of BASF Canada.

The second presentation was “Asphalt Shingle Roofing” presented by Evan Craighead of IKO Industries.

RCI Ontario would like to thank BASF Canada for preparing a table top display at the seminar.
