RCI's Breakfast Seminar – September 20th 2016

This breakfast seminar was held at the Woodbine Banquet & Convention Centre with great success. The seminar was very well attended and included 2 educational presentations.

The first presentation was “Asphalt Roofing” presented by Mr. Laverne J. Miller, M.Sc., B.Sc, senior advisor to Bitumar Canada. Many topics relating to asphalt manufacturing and quality control were covered by Laverne who has over 40+ years’ experience in the asphalt business.

The second presentation was “Drone Use in Building Science” presented by: Michael Cohen of Industrial SkyWorks, Jacob Ratz of Airborne Inspection Inc. and Jason Eaton of UAV Inspections. The three presenters shared lots of valuable info pertaining to drones and how they can be best utilized by building science professionals.

RCI Ontario would like to thank all sponsors and attendees for making this a great event!
