RCI Ontario Chapter June Events

June was a busy month for the Ontario Chapter. **On June 14, 2017** the educational committee held a breakfast seminar at Brae Ben Golf Club in Mississauga. Close to 40 participants attended the seminar which provided two informative topics of interest. Firstly Gary Osmond, Technical Sales Specialist with Roxul gave a very detailed presentation on “Hybrid Roof Insulation Strategies” – Utilizing the benefits of high performance non-combustion insulation. The lecture covered LTTR ratings in stone wool insulation and the cost analysis of installing a hybrid roof assembly compared to those of standard conventional assemblies. The second seminar was provided by Posi Slope representatives, Peter Basciano, Andrew Zammit and Kevin Malia and covered the “Effective Use of Tapered Insulation in New and Re-roofing Applications”. The discussion touched on how tapered insulation can be a key component in providing proper drainage of rainwater from roofs and how tapered insulation can often be used to combat deck deflections and deviations in the roof structure.

The Ontario Chapter would thank to thank Paul Zanetti for facilitating the event and Kyle Boyce and Shawn Irani for webcasting the event live. It was a trial run for the webcasting platform which appears to have worked quite well. A special thanks to those who logged in to participate on line for the webcast. The Ontario Chapter would like to acknowledge Elastizell Canada, Kemper Systems, Lexsuco Coporation,, ModulRTS and Velux Canada Inc. for their support and for providing table top displays at the seminar.

Andrew Zammit of Posi Slope illustrating tapered insulation in new construction

Gary Osmond of Roxul discussing Hybrid roofs and LTTR values of stone wool insulation

Peter Basciano of Posi Slope addressing the audience on “Effective Use of Tapered insulation”

RCI Ontario Chapter Golf Tournament

On **June 20, 2017** the Ontario Chapter held their annual Golf Tournament at Kings Riding Golf Club in Aurora. The beautiful course once again played host to the tournament and provided a pretty tough test of golf given the soggy conditions. Roughly 120 golfers outlasted the elements which had delayed a portion of the round when heavy rain showers past through. The event was able to be completed in its entirety despite the weather.

Special guest Virginia native and RCI Inc. President Michael Williams made the trek north of the border to participate in the tournament and despite the inclement weather seemed to have enjoyed himself as he mingled with members of the Canadian contingency. RCI Ontario Chapter President Jennifer Hogan as well as Former Region VII Director Ted Sheridan and new Region VII Director Bryan Fishburn were also in attendance at this years event. A buffet style breakfast was offered at 7am for those who arrived early enough, followed by a 8:00am shot gun start. Lunch followed the event and prizes were handed out before the conclusion of the tournament by Social director Denis Theriault. Denis the tournament MC thanked everyone for attending and for their continued support of RCI Ontario Chapter.

A special thanks was offered to the following for their contributions:

Breakfast Sponsor: DT Roofing
Cart Sponsor: MJ Building Envelope
Closest to the Pin Sponsor: IKO Commercial
Longest Drive Sponsor: Dean-Chandler Roofing Ltd.
Lunch Sponsor: Soprema and Crawford Roofing
Wine Sponsor: Can-Sky Roofing

Region VII Director Bryan Fishburn, Ontario Chapter President Jennifer Hogan, RCI Inc. President Michael Williams and RCI Ontario Chapter past President Katherine Spavins.

RCI Ontario Chapter would also like to thank all the hole sponsors:
Accu-Plane

Alliance Roofing
