## RCI's Breakfast Seminar

This breakfast seminar was held at the Brampton Golf and Country Club with great success. Several attendees attended this seminar which had 2 educational presentations.

The first presentation was "High Performance Wall Systems Without All The Fuss" presented by Michael Pace, CET, BSSO.

The second presentation was "The Best Skylight For The Job: Designing With Skylights & Installing Them Right!" presented by Russell Ibbotson, P.Eng.

Attendees also had the pleasure of listening to the new President of RCI Inc., Mr. Jean-Guy Levaque, address the delegates about procurement and volunteering for committees both at the National and Chapter levels.

RCI Ontario would like to thank Everest Supply for preparing a table top display at the seminar.
